ESCAPE PLAN

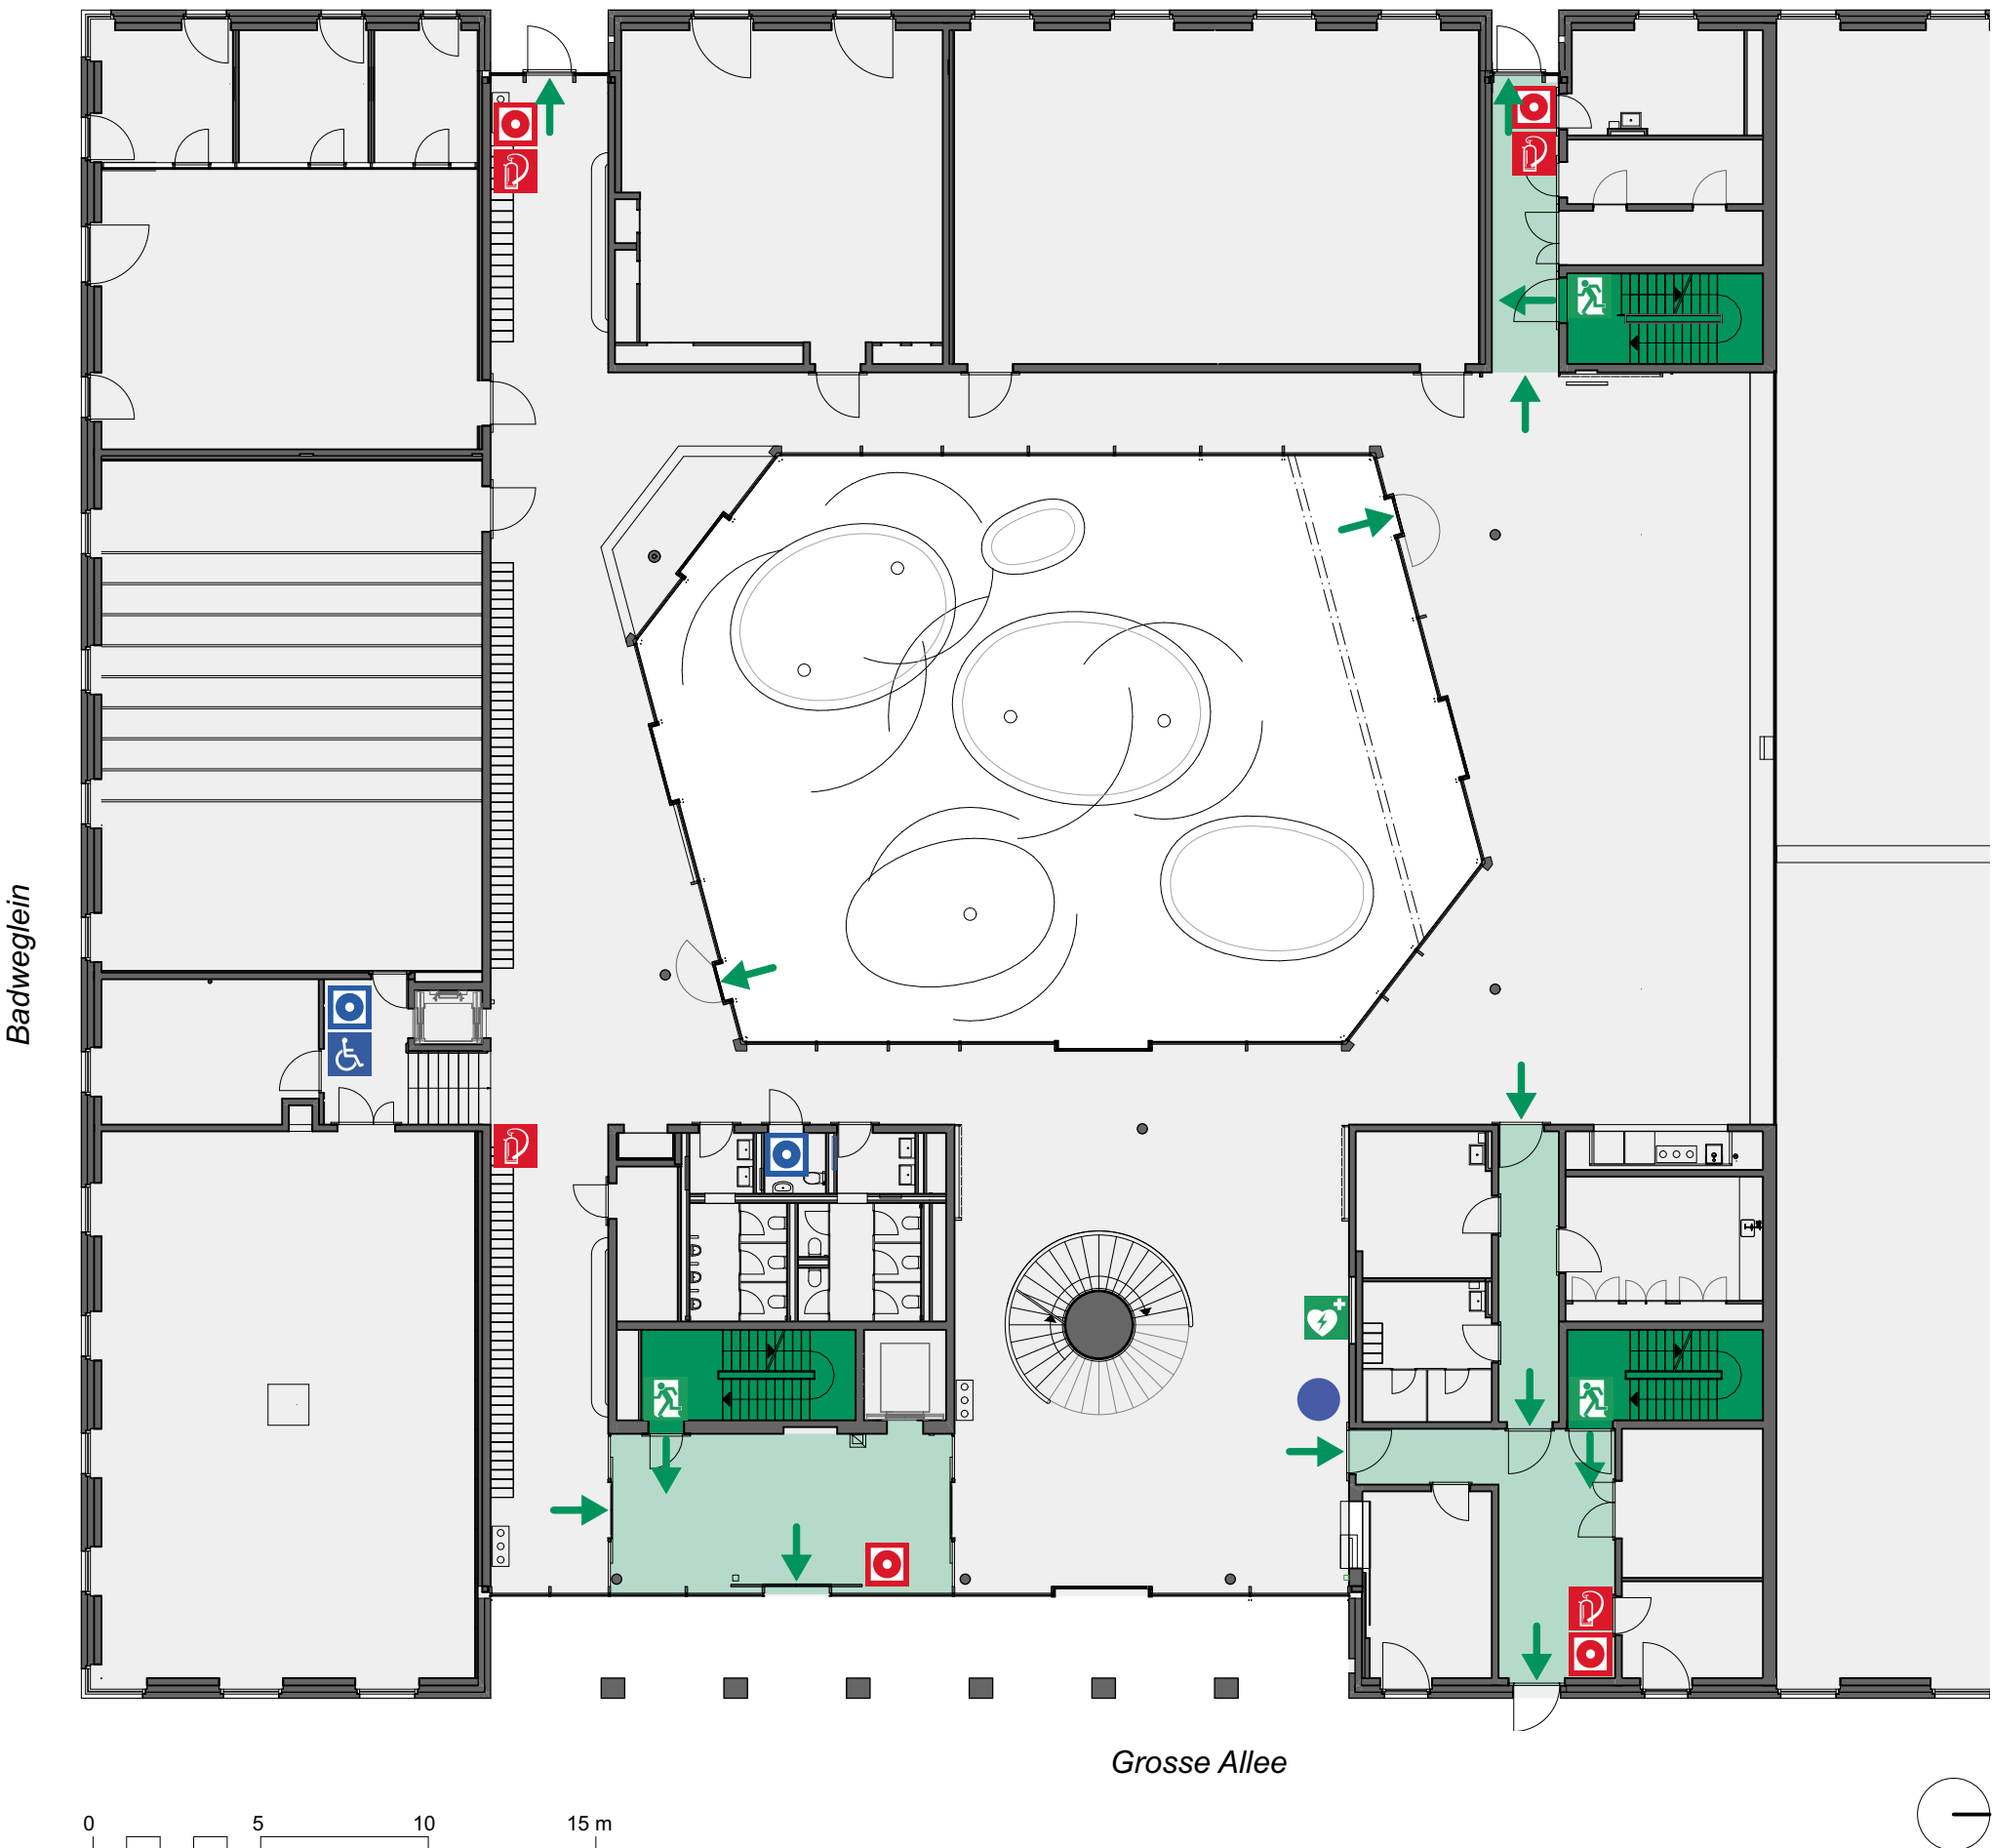

The map shows the St. Jakob area in Basel. The Nord building is highlighted in red and labeled 'NORD'. It is situated between the St. Jakob Halle (large grey building) and the Eissporthalle (large grey oval building). To the west of the Nord building is the Parkhaus St. Jakob (grey building with two circular openings). To the east is the Gartenbad St. Jakob (blue building). The map also shows the Badweglein street, the Grosse Allée, and the St. Jakobs-Strasse. A green icon with four arrows pointing towards the center is located near the Eissporthalle. A compass rose is in the bottom right corner.
